Note from the Team

Thank you for taking the time to read this newsletter! Exciting things have been happening within the company and we would love for you to know about them!

At **A+ Aging Advantage** we continue to strive to assist individuals and families in the community. We recently started a sister non-profit agency, **Aging Advantage**, to reach out to the underserved populations and now have a grant to assist individuals living in the city of St. Louis with various aspects of care management. All the staff at **A + Aging Advantage** is dedicated to helping and providing quality care to everyone we serve.

If you would like to donate or volunteer your time in assisting with the non-profit work, feel free to reach out and contact us using the information you can find in the bottom right corner of this newsletter!

Meet the Team

Gail Lee MA, LCSW, CCM, CEAP -
Executive Director
Gail@APlusAging.com

Gail is a mother of one daughter, who recently got married and graduated with her Master's degree in Divinity (leaving Gail an empty nester!). In her limited free time, Gail loves to travel, watch movies, and read books. Gail is a veteran of the U.S. Army and learned her social work skills from this endeavor. Bringing her skills to work in opening and running A+ Aging Advantage, Gail desires to work to assist people in need in the community.

Vicki Pollman LSCW - Care Manager
Vicki@APlusAging.com

Vicki has been married to her husband for three year and has two kids--who are 26 years apart in age. Outside of work, Vicki likes to travel, read, and spend time with friends and family. She earned her undergraduate and graduate degrees from SLU and has been working for A+ Aging Advantage for 4 years. "The part of my job that I like the most is that my office is in the home of the clients I see. I like being able to help them meet their needs working with the resources available."

Meet the Team

Lila Shepley BS, CMC - Care Manager
Lila@APlusAging.com

Lila is a proud mom of two grown sons and a dog mom to four. Outside of working she likes to paint, hike, kayak, ride horses, and write. She is currently writing her first non-fiction book. Her biggest accomplishment was earning a graduate degree in geropsychology at the age of 57! Lila understands that navigating the numerous options for our loved ones is overwhelming. “Anything I can do to assist and clarify the maze for clients brings me tremendous joy.”

Teri Schoenberg AA, CMC - Care Manager
Teri@APlusAging.com

Teri is a mother of three wonderful children: two girls and one boy. When she is not working, Teri loves spending with her grandchild (and is expecting one more in April!). Teri loves hosting and feeding people and has a knack for entertaining. She has been with A+ Aging Advantage since its inception in 2006! “I love working with the elderly; making them smile and finding enjoyment in their lives.”
